

AUTHORIZATION #697
REQUEST #697

Granted under section 13 of the *Designated Trades and Restricted Activities Regulation*, AR 161/2022

AUTHORIZATION

I, Jackie Hammond, Deputy Administrator for Designated Trades, pursuant to section 13 of the *Designated Trades and Restricted Activities Regulation* (DTRAR) hereby authorize **individuals** who are not otherwise permitted to perform restricted activities in the designated trade of **Elevator Constructor**, to perform only the following restricted activities of the trade, subject also to the restrictions and terms and conditions outlined below:

DTRAR Schedule 2, Section 45 (2) Elevator Constructor

- (a) installing, removing, altering, repairing, modifying and maintaining elevator systems and
 - (i) motors, drives and motor controllers, and
 - (ii) emergency power systems and security systems associated with elevator systems;
- (b) operating temporary and incomplete elevator systems;
- (c) testing elevator systems;
- (d) using hand tools, power tools, testing equipment and specialty tools required by the designated trade;
- (e) applying elevator, electrical and mechanical theory to the carrying out of the restricted activities set out in this section;
- (f) drawing, pulling, terminating and testing of conductors or cables into controller or panel systems pertaining to elevators or escalators;
- (g) installing and laying out hoistways, raceways, conduits, cable trays or troughs, wireways and fittings in elevator systems;
- (h) installing, troubleshooting, testing and laying out controllers and remote panels in elevator systems;
- (i) interpreting electrical and mechanical drawings and prints;
- (j) interpreting safety codes for elevators, escalators, dumbwaiters, moving walks and freight platform lifts;
- (k) coordinating elevator work with other construction trades;
- (l) installing all rail guides, beams, sheaves, templates, overhead work and all material used for mounting elevator systems in the machine room or below the machine room;
- (m) installing scaffolding for the erection of elevator systems;
- (n) installing and assembling elevator cabs and panels;
- (p) handling and hoisting elevator and escalator material.
