

Apprentice ID Cards

Employers may ask to see an apprentice's Apprenticeship and Industry Training (AIT) ID card when they are hiring.

An apprentice can download their new AIT ID cards from their MyTradesecrets (MTS) account by following these steps:

1. Log into their [MyTradesecrets](#) Profile.
2. Go to their "Applications" tab.
3. Click the "Details" button at the end of their current application.
4. Under "Program Summary", click on this button: 
5. The apprentice can then download and email or print their new AIT ID card. The card will look like this:

If the AIT card is not available, the apprentice **may** have a cancelled application.

For more information, call your AIT Officer
or the Apprenticeship and Industry Training Information Line at
